Hi, I'm Anthony Abinash

Aspiring Data Scientist | Entrepreneur | Digital Creator

View My Work

About Me

I'm passionate about building businesses, creating digital solutions, and exploring the world of data science. I also have experience in trading, content creation, and entrepreneurship.

Projects

Forex Growth Strategy

Scaling a \$50 account to \$600+ using disciplined scalping methods.

Detergent & Chips Brand

Launched and marketed FMCG products with strong local distribution.

Digital Agency Idea

Exploring social media, content creation, and digital marketing solutions.
